BEVERLEGA

W W Carter

1972

Beverlega

They told us,

"These are the best years of your lives."

We laughed.

Sometimes high  
school is nothing  
but books,

papers,  
and  
tests.

It has its  
compensations:

victory dances,

weekends,

unstructured studies,

familiar faces.

High school is more

It's

han just a building.

people.

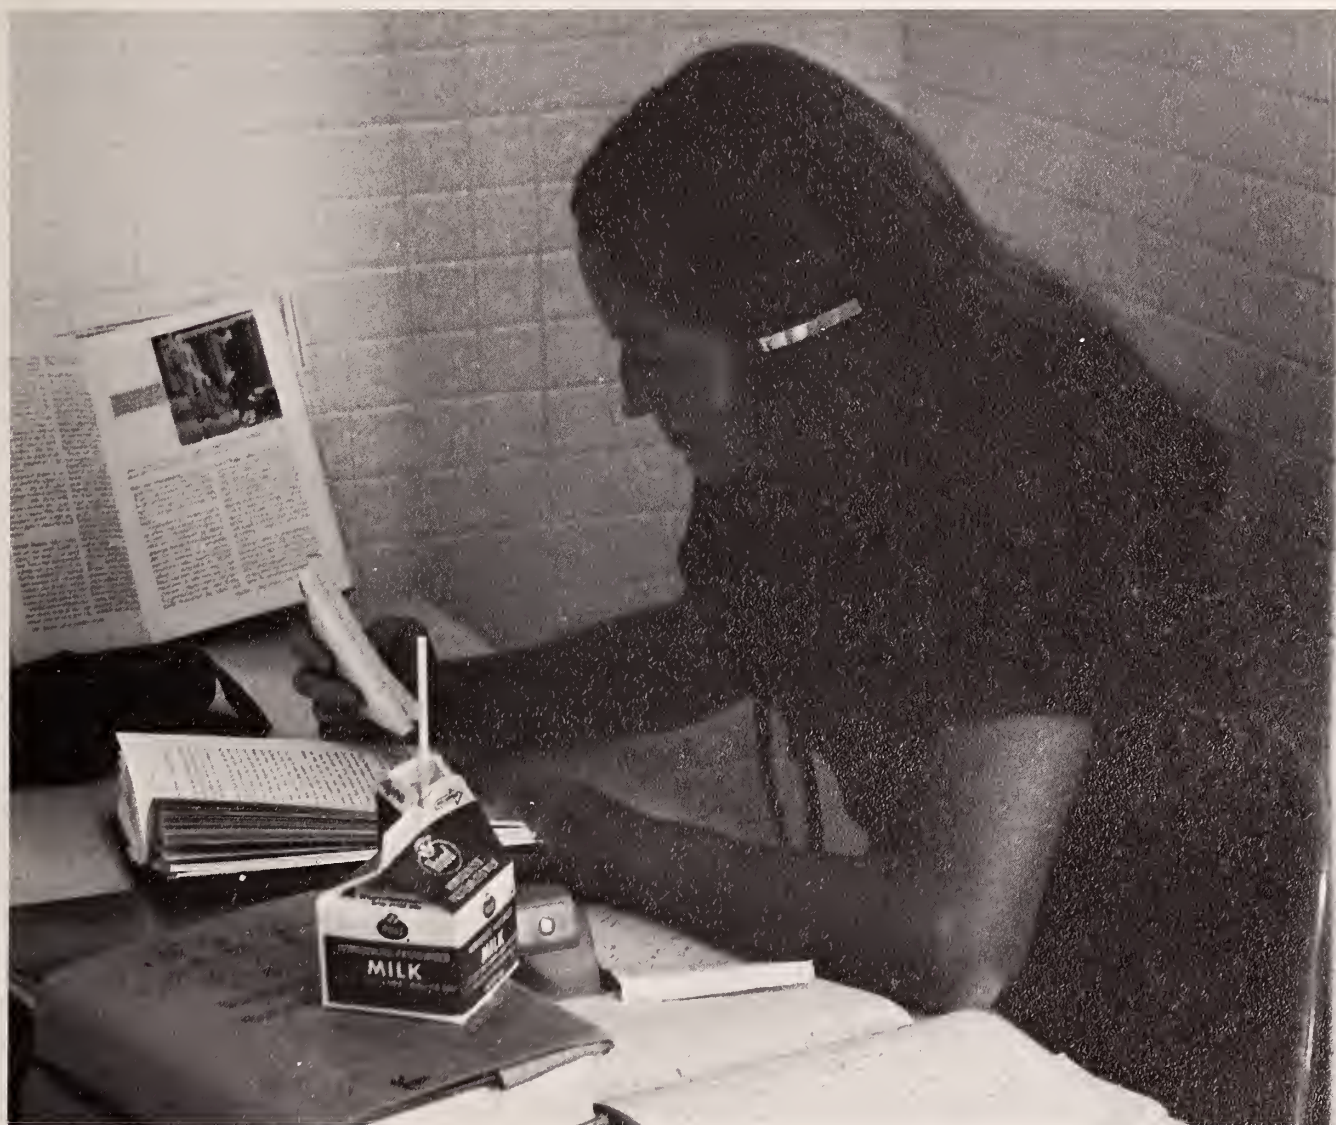

As for the  
“complete  
person,”

sometimes it seems that  
high school assembles him

from odds and ends.

Maybe you wouldn't care  
to go back

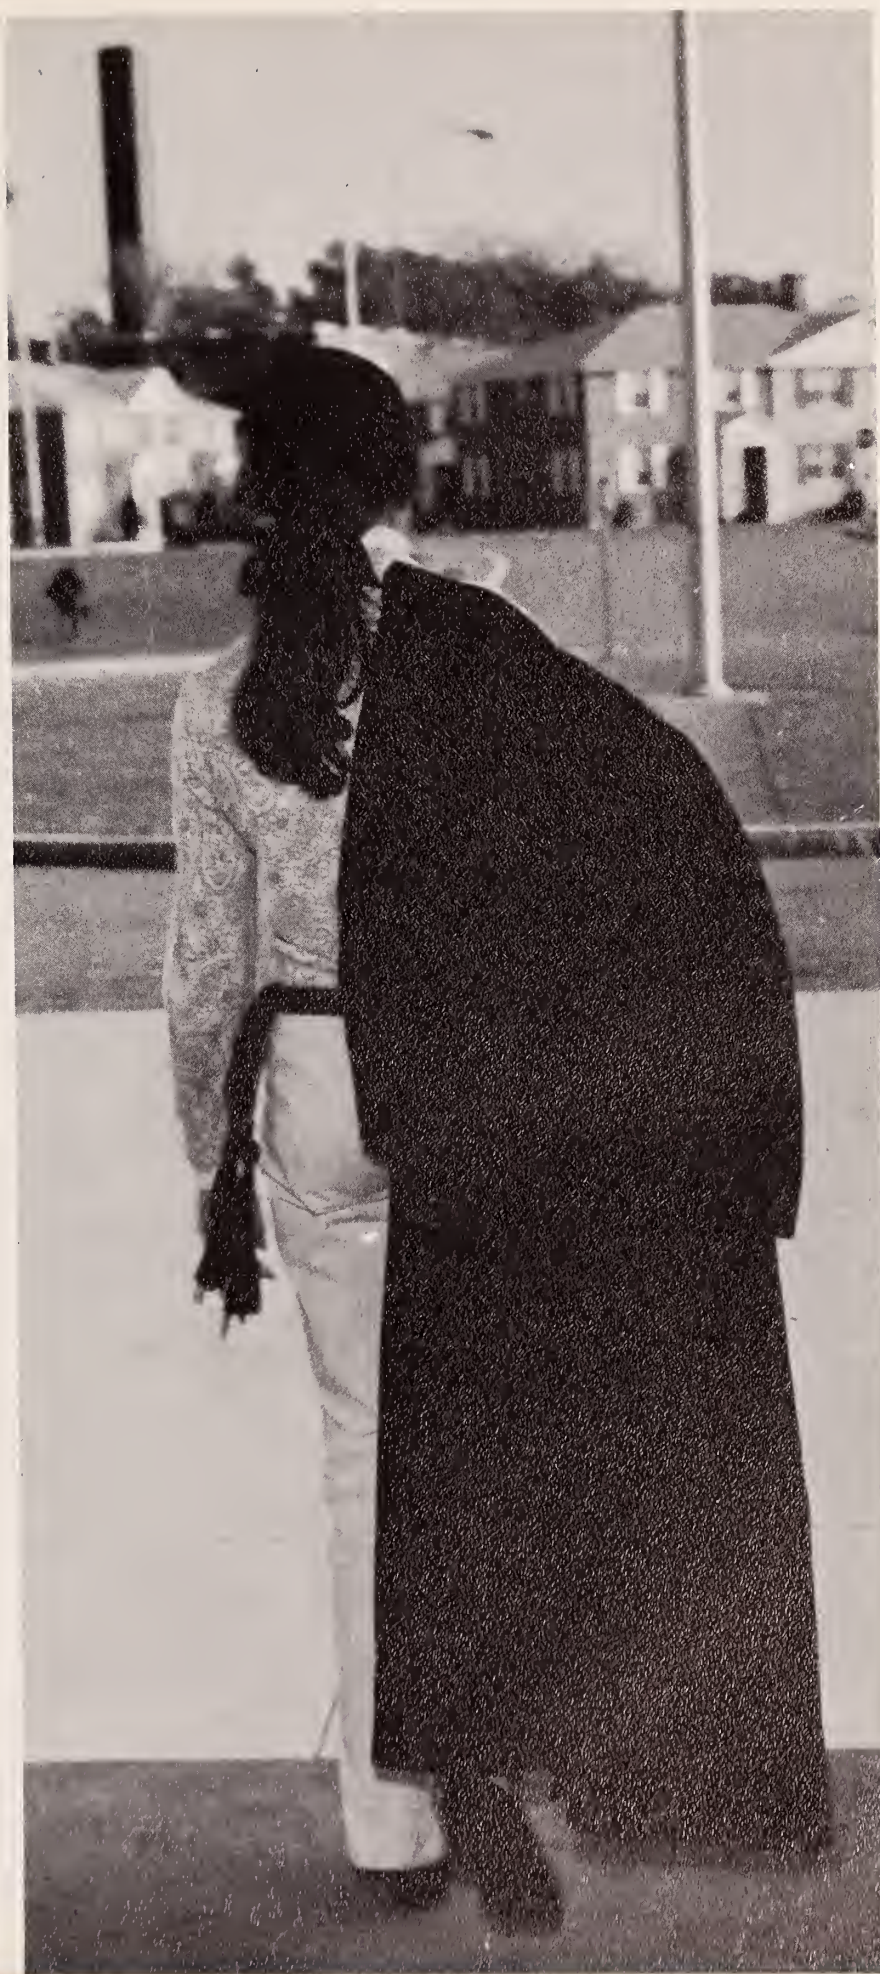

and start over  
again,

but as June  
approaches,  
and our world  
expands beyond  
the walls of  
Beverly High  
School,

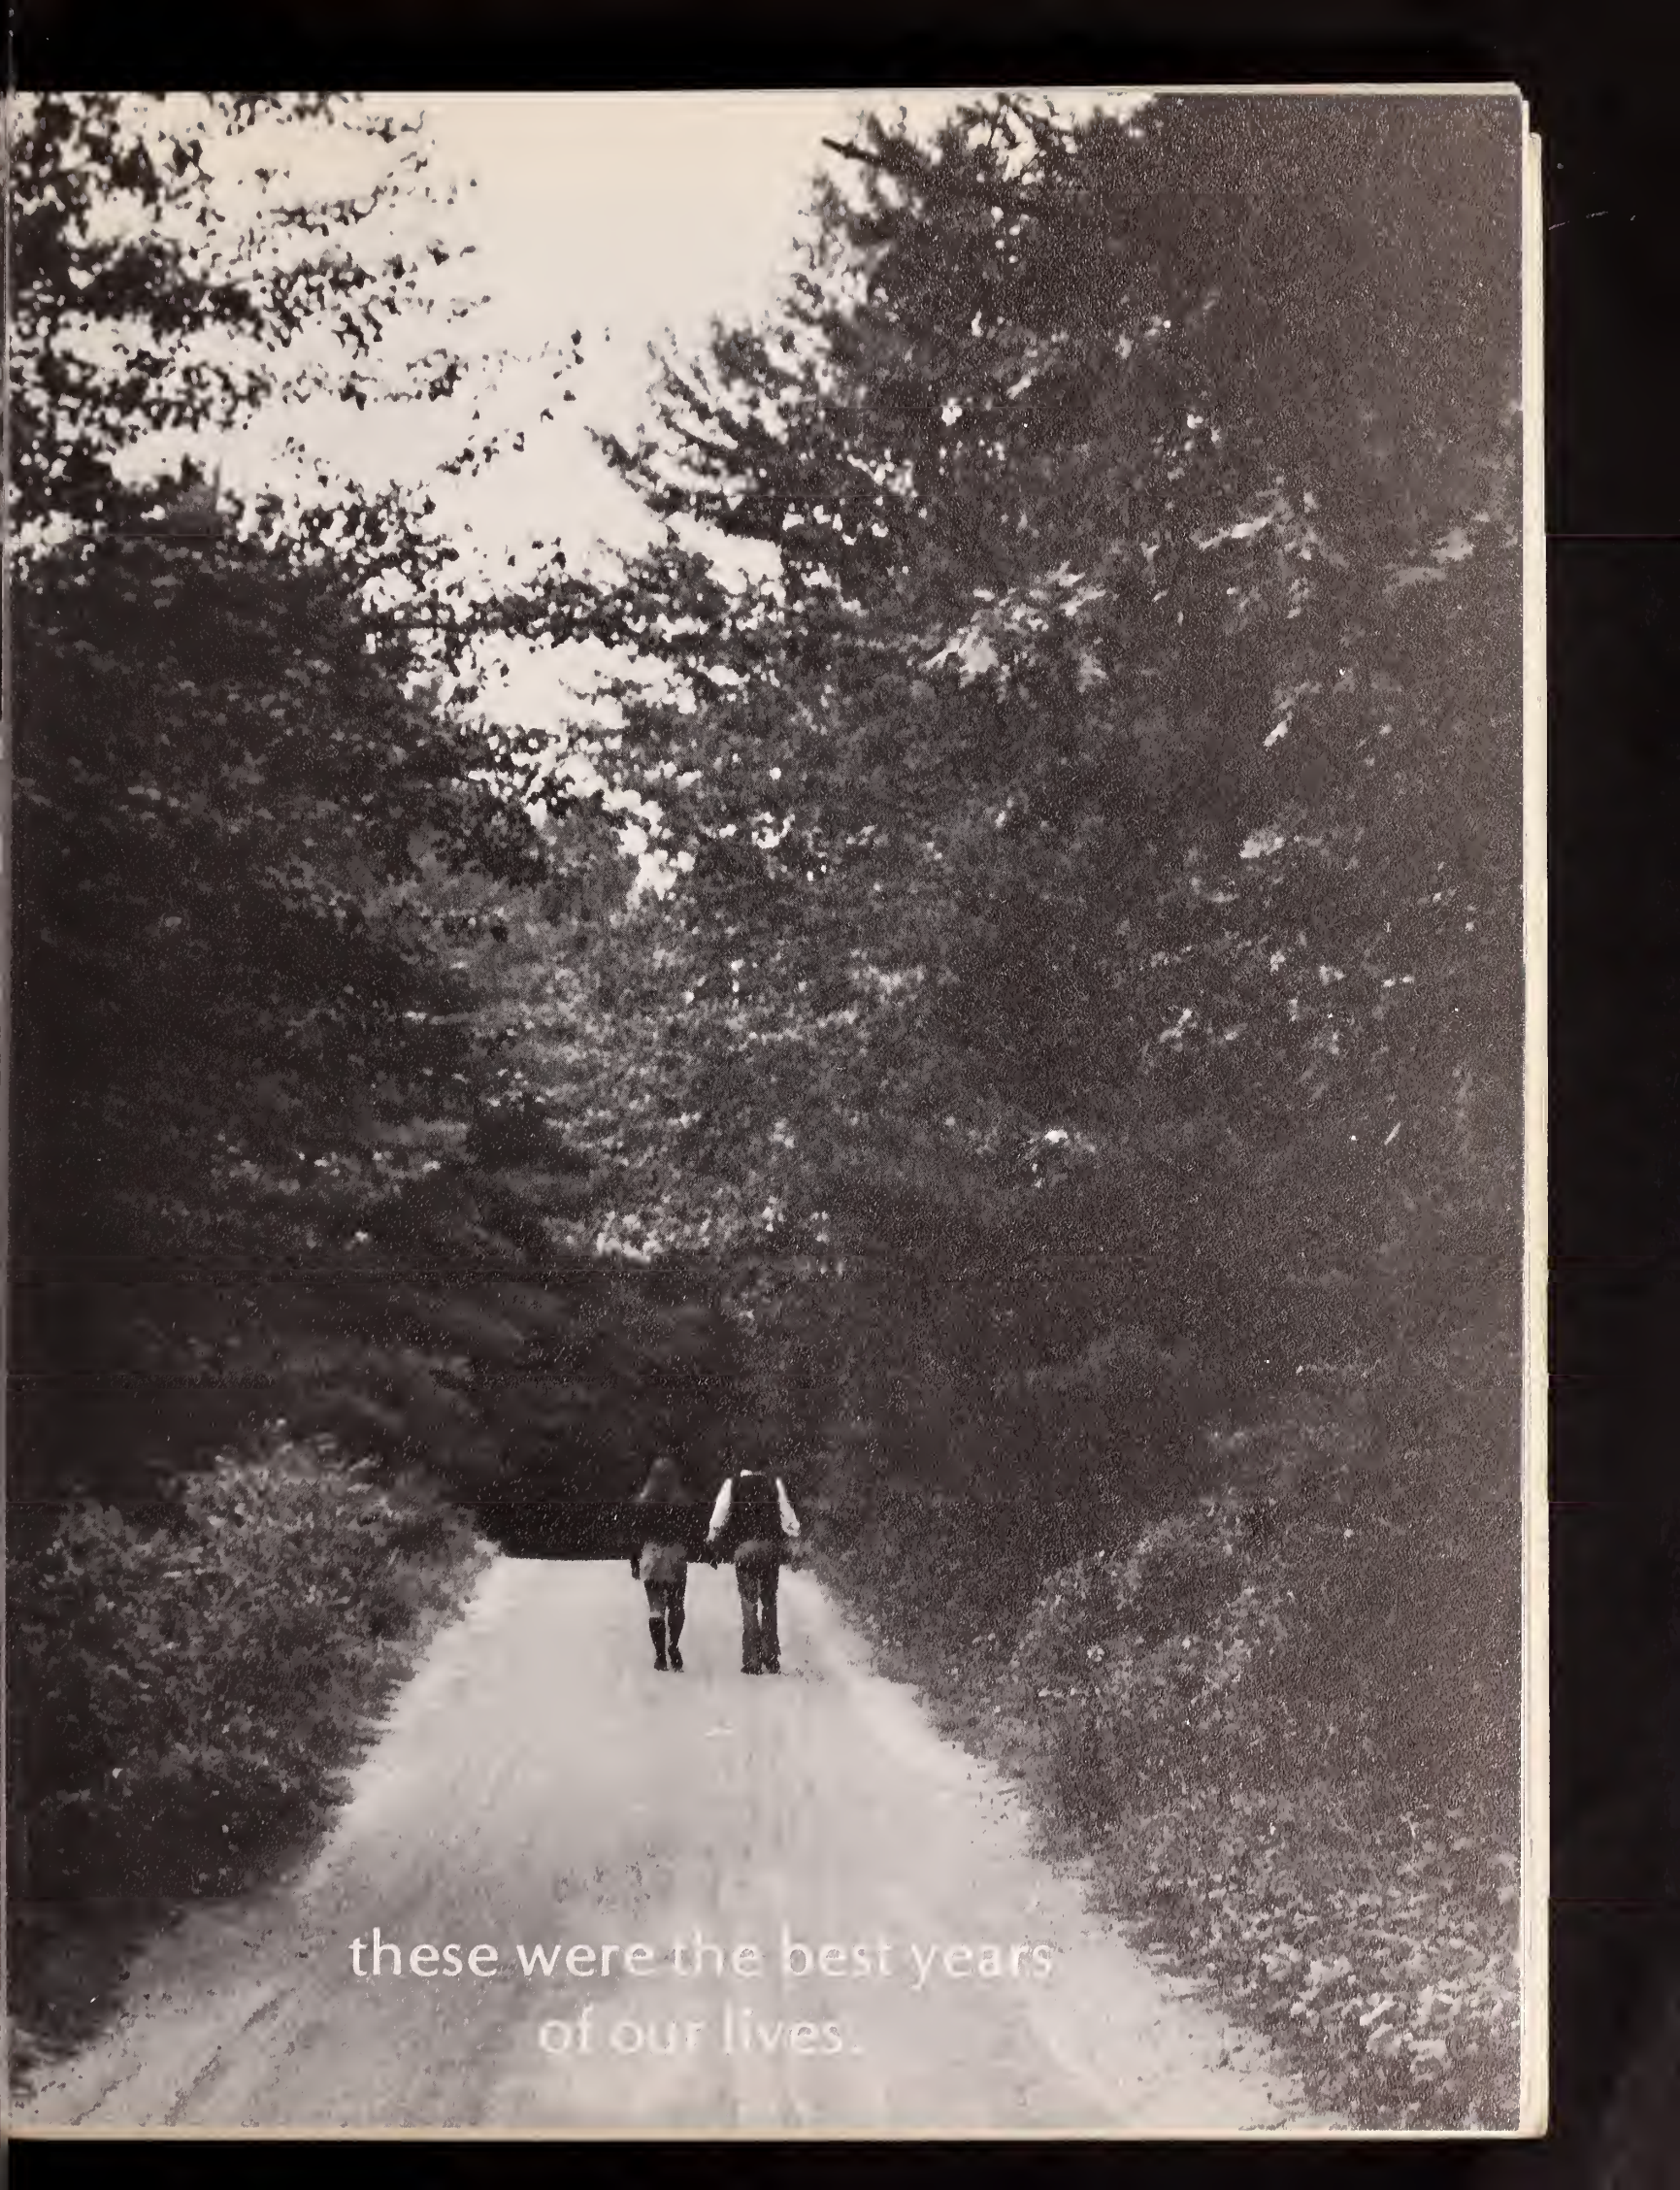

we reflect  
that

these were the best years  
of our lives.

## Seniors

The Class of 1972 planned many events to make their senior year a memorable one. During April they took an eight day trip to Spain and on the weekend of March 17, they enjoyed a trip to Mount Snow in Vermont. Many smaller events such as dances, cake sales and car washes helped finance the class's expenses. The climax of the year was the senior reception at the Chateau de Ville.

## A Fond Farewell

Mr. John Page has dedicated the past thirty-four years to explaining the events of the past to Beverly High School history students. His future plans include a trip to the Greek Islands and Spain before returning to his Beverly home. A health enthusiast, he plans to keep in shape by bowling and mountain climbing. Although in retirement, Mr. Page intends to keep in touch with his many friends and colleagues at Beverly High School.

For thirty years Miss Elsie Watters has taught French, Latin, and occasionally Social Studies, English and Physiology to Beverly High School students. She described her association with students and fellow teachers as the most rewarding part of her career as a teacher. After her retirement, Miss Watters hopes to do volunteer work and to travel. She also hopes to pursue her hobbies which are reading, sewing and knitting.

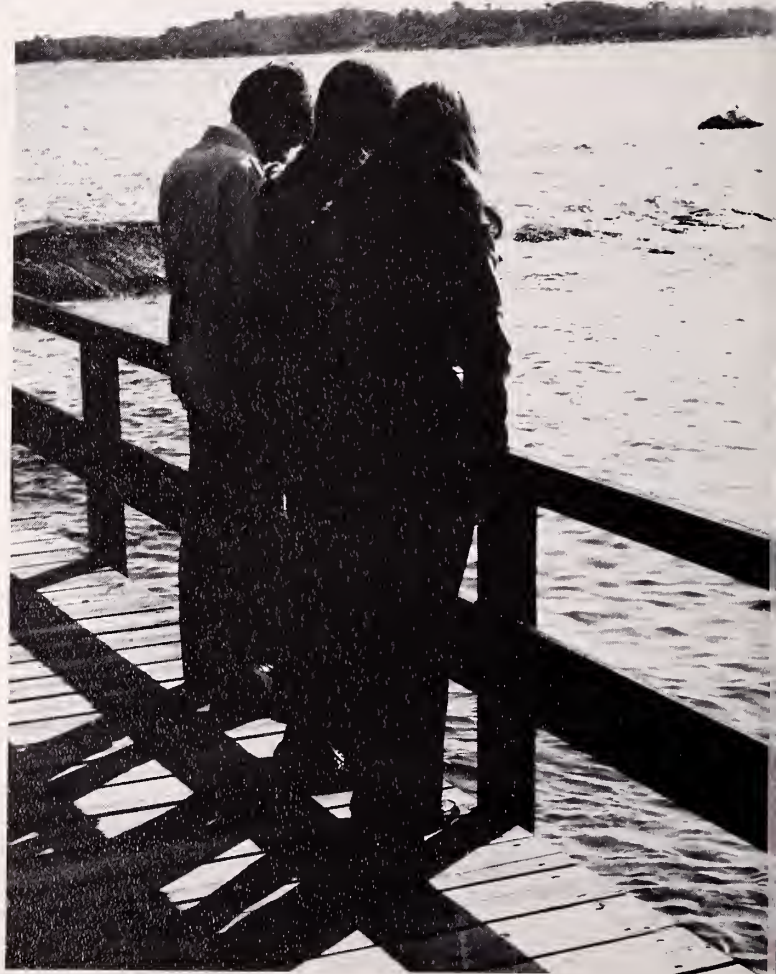

After twenty-six years as a teacher at Beverly High School Mr. Otto Winkvist retired. For seven years he taught pattern making at Claude H. Patten Trade School and for nineteen years he taught woodshop at the high school. Prior to his teaching career, Mr. Winkvist spent eighteen years in industry. His plans after retirement include traveling in the South, fishing, and boating. The most valuable part of Mr. Winkvist's teaching career was having the opportunity to share his knowledge with Beverly students.

## Farewell, Harry!

Gift Presentation  
C. Kelley Dr. Francis Fisher H. Sudarsono

This year BHS students and faculty were happy to have Harry Sudarsono spend the year with them as an American Field Service student. AFS is an international organization which assists high school students who wish to study abroad. A student must first apply to the AFS and on the basis of personal interviews and academic achievement, he is then chosen. Harry is from Balding the capital of West Jarfa Province in Indonesia, and while in Beverly he stayed at the home of Cindy Kelly, also a high school senior. He participated in the Mixed and Concert Choruses at BHS and was the Assistant Manager of the Indoor Track Team.

## Tennis

The BHS Tennis Team had a remarkable 14-1 season this year. Coached by Mr. L. Lattanzi and led by co-captains F. Hadley and G. Lapointe, the team earned the NSTL title by defeating their former co-champs, the Marblehead Tennis Team, and also snapping that team's 40 game winning streak. The 1972 team outdid those of past years in another way by featuring a girl player, sophomore E. Briody, on the team.

## Graduation 1972

Thursday, June 15, 1972, marked the end of twelve years of formal education and the beginning of many years of new learning experiences for some 620 BHS graduates. Following an invocation by the Reverend John D. Barry of St. Mary's Parish, a welcome from Class President Thomas Alexander and greetings from the Honorable Herbert F. Grimes, Mayor of Beverly, the graduates presented personal thoughts through speeches by Moira Buckley, Steven Goodwin, Patricia Jensen, and James Maggiacomo. Following musical selections by the band and chorale, the evening was climaxed by the presentation of the Senior Class, the distribution of diplomas, and the Seniors' performance of the class song, "We Can Only Change Tomorrow If We Work To Change Today", written by Stephen O. Fabri, Class of 1972.

## In Memoriam

In one sense there is no death. The life of a soul on earth lasts beyond his departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things he touched, worked with, loved as familiar friends. He lives on in your life and in the lives of all others that knew him.
